NOTE: Follow the schedule when choosing Home or Visitor.

If your team roster is OK, go to step 6.

- 5A. If a substitute is needed, select the player to be subbed for (Chad Zander in the example above). If a regular sub is available, select the sub that will replace the regular player. If the sub isn't on your roster, choose New Substitute and enter in the first and last name of the player.

- 5B. To swap players, highlight and select the player to move. Next, highlight and select the player that you are swapping with.

6. Choose the opposing team. **Remember, follow the schedule.** If schedule says you are Home, the other team is the Visitor.

7. With both teams ready to play, select START MATCH. Each game in the match will list the Players involved and what type of game it is. Insert the required cost of the game and select "START GAME". Repeat for all games in the match.

Forfeits

If a match is a forfeit, the team to be awarded the forfeit selects themselves as Home twice. They will be asked if the match is a forfeit. Answer "Yes".

Team Fees Option

The Dart League Coordinator has the option to make the teams put their "Team Fees" in before they play. If this is enabled, the teams will have to put in their team fees before selecting their opposing team.
